Cynthia's Breast Cancer Giving Circle, Inc.

Presents Our 8th Annual Walking To Give

The 8th Annual Walking to Give – is moving forward! As a result of the COVID-19 Virus, we are coming together as a community to have a neighborhood walk for the cause. Cancer patients are and will be in need before-during-after this pandemic.

Our purpose is to provide hope, relieve the mental stress, and financial support to cancer patients who are in active treatment. This desire to serve is to assist them with sustainable living needs.

This new experience of Walking to Give in our neighborhoods will give us time to reflect more on the love we give to one another to help make our communities better.

Our History of Giving to Date:
194 Cancer Patients / 424 Bills Paid
